

This HOPE is our story

### Our Purpose

We are a faith-aligned community hub that exists to empower, provide holistic resources, and build genuine self-sustainability in the lives of our neighbors. We are driven by authentic connections and rooted in a cultural legacy that honors the worth and dignity of all people.

### Our Programs

We implement educational programming that teaches skills needed for success, health-based services that provide support practices for physical and emotional wellness, and mercy-based services that supply crucial resources and aid for families in times of need.

### Our Campus

1. **PAW House** is a building for a safe and loving after school program.
2. **The Gathering Place** is a home for family programs, free behavior health, and more.
3. **Claudia's House** is a pantry which serves as a hub for food, cleaning, and hygiene supplies. We intake from various partners and distribute to individuals, schools, seniors and APD Zone One.

Learn more about other aspects of our campus by going to our website: [www.pawkids.org](http://www.pawkids.org).

### Hygiene Bags

Our community needs hygiene items to maintain good health which will then lower the risk of diseases and other illnesses.

### Shopping List

Hand sanitizer, Toothpaste, Individually wrapped toothbrushes, Soap, Deodorant, Shampoo, Dental floss, Packaged razors

### Instructions

STEP 1: Review all shopping items. Feel free to invite others to help buy and put together hygiene bags.

STEP 2: Gather all items, find a good day and time to prepare. Spend some time praying for the individuals who will be receiving these bags.

STEP 3: Once the bags have been completed, please drop off at Claudia's House (next to PAWKids House) at 1633 Donald Lee Hollowell Pkwy, ATL 30318 on Monday or Thursday from 10:00-12:00.
