

This HOPE is our story

Our Purpose

We are a faith-aligned community hub that exists to empower, provide holistic resources, and build genuine self-sustainability in the lives of our neighbors. We are driven by authentic connections and rooted in a cultural legacy that honors the worth and dignity of all people.

Our Programs

We implement educational programming that teaches skills needed for success, health-based services that provide support practices for physical and emotional wellness, and mercy-based services that supply crucial resources and aid for families in times of need.

Our Campus

1. **PAW House** is a building for a safe and loving after school program.
2. **The Gathering Place** is a home for family programs, free behavior health, and more.
3. **Claudia's House** is a pantry which serves as a hub for food, cleaning, and hygiene supplies. We intake from various partners and distribute to individuals, schools, seniors and APD Zone One.

Learn more about other aspects of our campus by going to our website: www.pawkids.org.

Snacks

Snacks are important to our young scholars who attend our after-school program and Summer programming. We also provide snacks to the unhoused that walk up to our food pantry, our families, school partnerships, and our senior citizens who need food supplies from our food pantry.

Shopping List

Please provide prepackaged snack size items. Example- crackers, snack bars, chips, fruit snacks etc. Any amount is welcome.

Instructions

STEP 1: Review all shopping items. Feel free to invite others to help buy and put together snack bags.

STEP 2: Gather all items, find a good day and time to prepare. Spend some time praying for the individuals who will be receiving these bags.

STEP 3: Once the bags have been completed, please drop off at Claudia's House (next to PAWKids House) at 1633 Donald Lee Hollowell Pkwy, ATL 30318 on Monday or Thursday from 10:00-12:00.
