

This HOPE is our story

Our Purpose

We are a faith-aligned community hub that exists to empower, provide holistic resources, and build genuine self-sustainability in the lives of our neighbors. We are driven by authentic connections and rooted in a cultural legacy that honors the worth and dignity of all people.

Our Programs

We implement educational programming that teaches skills needed for success, health-based services that provide support practices for physical and emotional wellness, and mercy-based services that supply crucial resources and aid for families in times of need.

Our Campus

1. **PAW House** is a building for a safe and loving after school program.
2. **The Gathering Place** is a home for family programs, free behavior health, and more.
3. **Claudia's House** is a pantry which serves as a hub for food, cleaning, and hygiene supplies. We intake from various partners and distribute to individuals, schools, seniors and APD Zone One.

Learn more about other aspects of our campus by going to our website: www.pawkids.org.

Gift Cards

Gift cards help us provide families who need essential items such as food, clothing, and other supplies when faced with situations beyond their control. Gift cards in any amount are most helpful from: Walmart, Kroger, Publix, Visa/Mastercard, Costco, Sam's, QuikTrip, Racetrack, and other gas stations.

Instructions

STEP 1: Review gift card list. Feel free to invite others to help buy and put together a gift card drive.

STEP 2: Gather all cards, find a good day and time to prepare. Spend some time praying for the individuals who will be receiving these cards.

STEP 3: Once the cards have been organized, please drop off at Claudia's House (next to PAWKids House) at 1633 Donald Lee Hollowell Pkwy, ATL 30318 on Monday or Thursday from 10:00-12:00.
