

Helping children, their families and our neighbors
This HOPE is our story

Our Mission

To provide families with various resources that will empower and encourage them while promoting Christian values, building stronger communities, and developing self-sufficiency in the Grove Park Atlanta area.

Our Campus

Our vision is to demonstrate Christian principles through providing community support and developmental activities which uphold moral excellence and build self-confidence. We accomplish this through these three buildings:

1. **PAW House** which provides a safe and loving after school program and learning PODS through the pandemic.
2. **The Gathering Place** which provides a home for family programs, behavior health, a free medical clinic, and more.
3. **Claudia's House** which provides a neighborhood food pantry where we offer daily meals for the community, meals for seniors, and more.
